Dear Parent,
Greetings from Cochin Refineries School!

As we prepare for the next academic year, we would like to inform you in advance that there is a change in uniform shoes from the new academic year with effect from June 2024 for classes 1 to 12. Due to popular demand from parents put across through the PTA, we have decided that we will have only one unisex black shoe which is compatible for both sports activities and regular school. Children will wear the same shoe on all days irrespective of whether they are in regular uniform or sports uniform. The shoe suggested is as per design below.

Classes 1 to 5	Unisex Black Shoes with Velcro. Bata, Liberty are two suggested brands. Available on amazon and local shops. https://amzn.in/d/iFst4xd	
Classes 6 to 12	Unisex black shoe with laces. Bata, Liberty are two suggested brands. Available on amazon and local shops. https://amzn.in/d/4suGfn4	

The same shoe can be used for sports activities also. It is available on amazon and in most of the shoe shops in the city.

Kindly make note of this change in shoe and do the needful to purchase the same for your ward. It may be also noted that during rainy season in the first term, children will be permitted to wear sandals. Only normal black sandals will be permitted.
