GREEN BIN INAUGURATION

Green Bin is a technology-driven, eco-friendly waste bin featuring automated fill-level alerts, contactless operation, solar-powered, IoT-based remote monitoring, Integrated GPS with mobile app support, and has a smart access control too. It enables real-time tracking and optimized data-backed waste collection to enhance end-to-end waste management from source to collection waste yards.

The inauguration of the Green Bin launch was done by the present School Board Chairman , Shri George Thomas in the presence of the new School Board Chairman , Shri N Meganathan, School Board members , SMC members ,officials from various departments of BPCL KR - Instrumentation, Automation, HR, Estates, and Environment Section on 21st April 2026 at CRS.

The Green Bin initiative originated from the innovation theme envisioned by Mrs. Premlata Shaji, Vice Principal , CRS with Mr. Bijesh M.D., BPCL-KR Instrumentation, and Mrs. Sreedevi, ATL Mentor, CRS, leading its architectural development.

Key departments of BPCL-KR — Instrumentation, Automation, HR, Estates, and Environment Section — collaborated with CRS for the execution of the Green Bin project. CRS thanks all the associated heads of dept for the support extended.
